COOKING WITH GAS . . . Judy Tye, 15, newly selected "Miss Torrance Chamber of Commerce," is shown here checking out three newly installed ranges in the Civic Auditorium. She reported the stoves are "dandy," and said they should be a big help to organizations using cooking facilities at the auditorium.

VETERAN PILOT . . . Major Edward N. LeFalvre, 318 Valley Brook Dr., Falls Church Va., sits in the cockpit of the Navy's supersonic Douglas F4D-1 Skyray made in Torrance in which he established five new world time-to-climb speed records at Point Mugu on May 22-23. A veteran of Aerial combat in World War II and Korea where he was shot down and rescued, the 37-year-old father of two children has been F4D project officer for the Navy Bureau of Aeronautics in Washington since June, 1955 and soon will be assigned to duty in the Far East with the First Marine Air Wing.

YOUNG BRAVE . . . Leonard Tafoya of Torrance, who is a Pueblo Indian, plays the part of a young Indian boy, "Redbill," in the Hermosa Beach Playhouse Children's Theater production, "The Indian Captive." The show is being staged Saturdays and Sundays, 1 p.m. and 3 p.m., at the Playhouse, Pier Ave. at Strand, in Hermosa Beach.

GARDENERS CHECKLIST

1. Quality plant material is the best "bargain" for gardeners. So-called bargains of questionable strain may not be worth the space they are planted in.
2. Deep watering and mulching of trees and shrubs is good summer gardening practice.
3. Many flowering shrubs in containers are available now—abelia, lantana, hibiscus, oleander and fuchsia, to name a few.
4. Shop for container roses now to see them in bloom.
5. Bedding plans give quick garden results. Try marigolds, petunias, lobelia, zinnias.
